## About Us

Aruna Education Trust was founded in the year 2015-16 with a view of providing quality education to the students of Attibele and near by villages and established its first school in the same year, Sharada International School, following Karnataka State Curriculum. From a humble beginning with just 80 students, the school's growth was rapid within a short span of 5 years and currently provide quality education to over four hundred students. Understanding the rapidly changing education system and need of integrating global education practices, the trust launched its ICSE School in the Academic Year 2018-19. Located in a sprawling 1.2 acres of land. Sharada International School provides an ambience conducive to “wholistic” experiential learning beyond the class room.

**SIS is a Place to LEARN and GROW SHARE and SUCCEED**

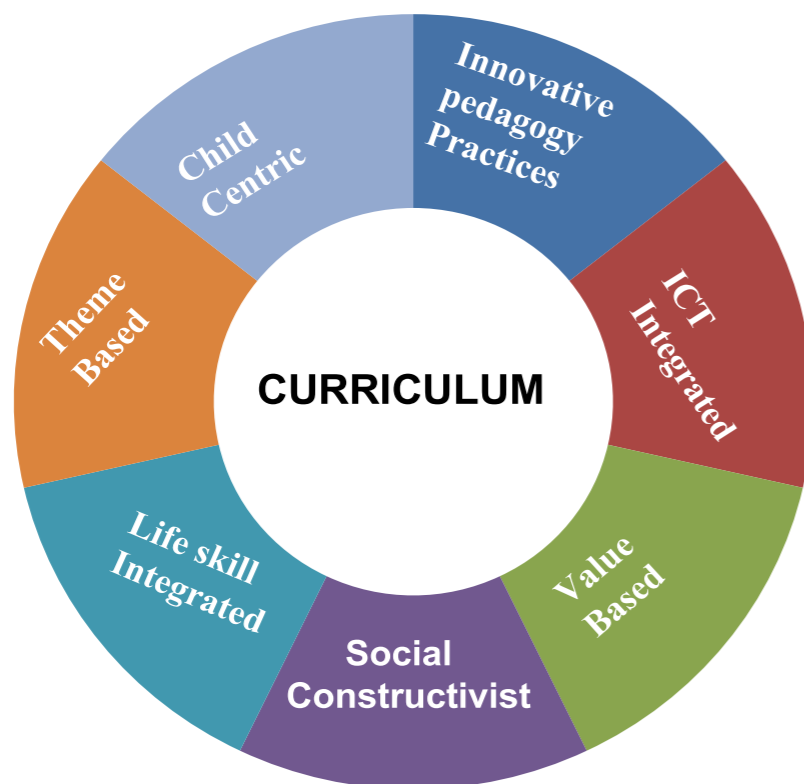

**VISION :** In our vision we see a school where children realize their potential to be useful, productive & socially responsible members in a global society.

**MISSION :** It is our mission to create an environment which promotes awareness and development of the self so that individually and collaboratively all students learn to make a positive contribution to society.

## OUR CURRICULUM

## EXCLUSIVE PROGRAMMES

### Whole-school Reading Programme

A specially designed guided reading programme to help the students to learn and understand a wide range of topics will not only help them to develop both language and linguistic skills but also develop skills of expression. The school is equipped with a well stocked library where a wide range of books for different age groups are available and has developed a structured reading programme for effective utilization of them for the benefit of the student community.

### Communicative English Programme

Developing the skill of effective communication is a key objective of education of the twenty first century and understanding this need, the school has developed a structured communicative English program for its students to enhance their English speaking skills.

### Sports and Performing Art Programme

The school has a well designed sports and performing art programme and the students are trained in Karate, Western Dance, Yoga and Aerobics. They are also trained in Volleyball, Basket ball and cricket and the teams represent the school in the interschool competitions at taluk and district levels.

### Celebration of Special days and Events

The school plans and conducts a wide array of programs for developing and promoting the Aesthetic Skills as well as Social Skills of the students. We inculcate values of patriotism and respect for diversity in our students through the conduct of them. These programs include celebration of National Days, Kannada Rajyotsav, Festivals and Colour days, Sports Day and Annual Day.

### Leadership Training Programmes

The school provides a platform for the students to develop leadership skills and towards this a student council is constituted comprising of elected student members. The students will be thus made to participate in the developmental activities of the school and develop their personality and Organizational and leadership skills. Apart from this the school organizes picnics and adventure camps to enhance their social & leadership skills.

### Hobby Clubs

The objective of Hobby club is to promote and enhance the inherent talents of the students and thus generate a constructive outcome. The school has Literary Clubs, Science Club, Art Club and Eco Clubs.

### Professional Enhancement Programmes

We, as a school believe in equipping ourselves to follow the best pedagogical practices which are innovative and creative in nature. Towards achieving this goal and making classroom teaching Effective, a plethora of training sessions are conducted for the teachers throughout the academic Year. We train our faculties to deal with the emotional, psychological and social problems hindering their academic performance and help them to cope up with the challenges.

### Competitive Examinations-Olympiads

We give the students opportunities to appear in competitive examinations at National and International levels which help them to understand their standards against national and international bench marking and are motivated to strive towards excellence by raising the bar.

### Value Based Assemblies

Theme based assemblies are an integral part of the school system and it not only aims at developing discipline but also is an endeavor to inculcate the right values in students. The themes are selected judiciously for their character development.
